### System Gap Addressed

- The North Carolina Council on Developmental Disabilities (NCCDD) is federally mandated by the Developmental Disabilities Act (DD Act) to fund initiatives that influence policy and promote independence, inclusion, and self-determination of North Carolina citizens with intellectual and other developmental disabilities (I/DD) and their families.
- There are approximately 180,000 individuals with I/DD residing in North Carolina.
- NCCDD is responsible for advocacy, community capacity building, and systems change achieved by sharing information learned from its funded initiatives with elected officials, state leaders, and community organizations.
- NCCDD determines its funding priorities with significant public input from individuals with I/DD and family members across the state through its five-year state planning process.
