- 11. That, at all times during the term of the grant, the grantee will indemnify and hold harmless, to the extent allowable by law, the NCCDD and the Department of Health and Human Services (DHHS) against liability, loss, damage, costs or expenses to pay by reason of any consumer's suffering, personal injury, death, or property loss or damage while participating in or receiving from the grantee services to be furnished by the grantee under the terms and conditions of the grant.

While no moneys may have been expended (in such case, all entries will be zeros), these monthly requests are mandatory. Not more than thirty (30) days after the end date of this contract, a final request for reimbursement or report of outlays for expenditures covered under this agreement will be submitted to NCCDD. After thirty (30) days, the most recent request for reimbursement or report of outlays received by the Council will be considered to be the final request. No request for reimbursement will be submitted for any encumbrance made after the end date of this contract.

- 26. To maintain program and fiscal reports required by the NCCDD and to agree that a programmatic, facilities and/or fiscal review may be conducted by state and/or federal personnel and other persons authorized by the NCCDD.
- 27. That the NCCDD may duplicate, use and disclose all data delivered under the terms of this grant within the boundaries of regulations pertaining to confidentiality of

consumer information; that the NCCDD has a royalty-free, non-exclusive and irrevocable license to publish, translate, reproduce, deliver, perform, dispose of all data, and to authorize others to do so, now or hereafter covered by copyright; provided that with respect to data not originated in the performance of this grant, such license shall be only to the extent that the grantee has the right to grant such license without becoming liable to pay compensation to others because of such grant.

- 28. That the publication of manuals and/or brochures will be reviewed by and receive prior approval from the NCCDD before the printing and distribution of such material.
- 29. (The following is an example for a grantee funded at a 25%-75% ratio: "This initiative is supported at 25% (\$XX.XX) by *name of your agency* and at 75% (\$XX.XX) by the North Carolina Council on Developmental Disabilities and the funds it receives through P.L. 106-402, the Developmental Disabilities Bill of Rights and Assistance Act of 2000.")
- 30. To certify that the NCCDD funds used for this grant do not replace or supplant, in any way, non-federal funds for already existing services.
- 31. To certify that the NCCDD funds are not used for activities that the grantee is already mandated by law to provide.
- 32. To participate in program, fiscal and administrative monitoring, and to make records and staff time available to the NCCDD.
- 33. To participate in an evaluation conducted by the NCCDD, or an evaluation conducted by a third party in coordination with the NCCDD, to evaluate the impact of the grant.
- 34. That it is expressly understood and agreed that the services provided by this grant for which funds have been received from the NCCDD, or for which funds have been designated as match for funds received from the NCCDD, shall consist exclusively of those services specified in the contract. The NCCDD will not be responsible for reimbursement of pre-award expenses.
- 35. That payment of NCCDD funds to the grantee will be made monthly with total compensation not to exceed the total, federal share awarded to the project, and that payment will be based on approval by the NCCDD of monthly expense reports and quarterly program reports submitted by the grantee. Requests for payment of NCCDD funds to the grantee will be made on the basis of one of the following requests submitted by the project and approved by the NCCDD:

- (A) Requests for reimbursement to the grantee of actual expenditures incurred by the initiative during the reporting period, or
- (B) Requests for advancement of funds to the grantee based on estimated costs if the grantee is not a North Carolina State governmental agency, institution, or department.
- 36. To comply with non-federal matching requirements in its first and/or second and/or third funding period (if a second and/or third funding period is warranted and approved) using the following percentages, unless such requirement is waived by NCCDD:

| Funding Period | Non-Poverty County | Poverty County     |
|----------------|--------------------|--------------------|
| 1st            | 75% Fed, 25% Local | 90% Fed, 10% Local |
| 2nd            | 60% Fed, 40% Local | 75% Fed, 25% Local |
| 3rd            | 50% Fed, 50% Local | 60% Fed, 40% Local |

- 37. That any grant which may acquire income as a result of the grant must be accountable for this income. Income may include, but will not be limited to, income from service fees, sale of commodities, use of rental fees, sale of assets purchased with grant funds, and royalties on patents and copyrights.
  - (1) Income may be deducted from total grant costs. Under this alternative, the recipient must use the income to reduce the amount of federal and other funds needed to pay the allowable costs of the initiative.
  - (2) Income may be used for costs that count toward satisfying a cost-sharing or matching requirement. The income, when received, must be used to provide the cost-sharing or match before grant funds are used.
  - (3) Income may be used for costs that further the objectives of the statute under which the grant is made, but which are not part of the grantee's budget. This method is currently the method required by the NCCDD. Income used in this fashion is not deducted from the total grant costs when completing the "Request for Reimbursement" forms.
- 38. That the NCCDD may, from time to time, require changes in the scope of the services of the grant to be performed under the grant. Such changes, including any increase or decrease in the amount of the grantee's compensation which are mutually agreed upon by and between the grantee and the NCCDD, shall be incorporated in written amendments to the contract, after being approved by the NCCDD.
- 39. That the grantee shall not change the scope of the services specified in the approved contract without the prior written approval from the NCCDD.
- 40. That it is further understood and agreed that the provision of services pursuant to this grant shall be subject to the limitations, guidelines, and plans cited in the contract.

#### **Conflict of Interest Policy Example**

The Board of Directors/Trustees or other governing persons, officers, employees or agents are to avoid any conflict of interest, even the appearance of a conflict of interest. The Organization's Board of Directors, Trustees, or other governing body, officers, staff and agents are obligated to always act in the best interest of the organization. This obligation requires that any Board member or other governing person, officer, employee or agent, in the performance of Organization duties, seek only the furtherance of the Organization mission. At all times, Board members or other governing persons, officers, employees or agents, are prohibited from using their job title, the Organization's name or property, for private profit or benefit.

A. The Board members or other governing persons, officers, employees, or agents of the Organization should neither solicit nor accept gratuities, favors, or anything of monetary value from current or potential contractors/vendors, persons receiving benefits from the Organization or persons who may benefit from the actions of any Board member or other governing person, officer, employee or agent. This is not intended to preclude bona-fide Organization fund raising-activities.

B. A Board or other governing body member may, with the approval of Board or other governing body, receive honoraria for lectures and other such activities while not acting in any official capacity for the Organization. Officers may, with the approval of the Board or other governing body, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. Employees may, with the prior written approval of their supervisor, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. If a Board or other governing body member, officer, employee or agent is acting in any official capacity, honoraria received in connection with activities relating to the Organization are to be paid to the Organization.

C. No Board member or other governing person, officer, employee, or agent of the Organization shall participate in the selection, award, or administration of a purchase or contract with a vendor where, to his knowledge, any of the following has a financial interest in that purchase or contract:

- 1. The Board member or other governing person, officer, employee, or agent;
- 2. Any member of their family by whole or half blood, step or personal relationship or relative-in-law:
- 3. An organization in which any of the above is an officer, director, or employee;
- 4. A person or organization with whom any of the above individuals is negotiating or has any arrangement concerning prospective employment or contracts.
- D. **Duty to Disclosure** -- Any conflict of interest, potential conflict of interest, or the appearance of a conflict of interest is to be reported to the Board or other governing body or one's supervisor immediately.
- E. **Board Action** -- When a conflict of interest is relevant to a matter requiring action by the Board of Directors/Trustees or other governing body, the Board member or other governing person, officer, employee, or agent (person(s)) must disclose the existence of the conflict of interest and be given the opportunity to disclose all material facts to the Board and members of committees with governing board delegated powers considering the possible conflict of interest. After disclosure of all material facts, and after any discussion with the person, he/she shall leave

the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

In addition, the person(s) shall not participate in the final deliberation or decision regarding the matter under consideration and shall leave the meeting during the discussion of and vote of the Board of Directors/Trustees or other governing body.

- **F. Violations of the Conflicts of Interest Policy --** If the Board of Directors/Trustees or other governing body has reasonable cause to believe a member, officer, employee or agent has failed to disclose actual or possible conflicts of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose. If, after hearing the person's response and after making further investigation as warranted by the circumstances, the Board of Directors/Trustees or other governing body determines the member, officer, employee or agent has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.
- G. **Record of Conflict** -- The minutes of the governing board and all committees with board delegated powers shall contain:
  - The names of the persons who disclosed or otherwise were found to have an actual or
    possible conflict of interest, the nature of the conflict of interest, any action taken to
    determine whether a conflict of interest was present, and the governing board's or
    committee's decision as to whether a conflict of interest in fact existed.
  - The names of the persons who were present for discussions and votes relating to the transaction or arrangement that presents a possible conflict of interest, the content of the discussion, including any alternatives to the transaction or arrangement, and a record of any votes taken in connection with the proceedings.
